Our Solutions

DIAMOND
Partner

OneStream EPM Consulting

At Ascend, we are proud to be the most trusted Diamond Partner with **OneStream**. This prestigious designation reflects our expertise and proven success in delivering enterprise-grade financial solutions. With years of hands-on experience, our award-winning team of OneStream-certified consultants, architects, developers and project managers have delivered powerful finance solutions tailored for various industries, enabling finance leaders to unify accounting processes, improve accuracy, and drive strategic performance.

We offer end-to-end services that maximize the power of OneStream including:

- **Financial Consolidation & Reporting:** Achieve faster closes, seamless consolidations, and accurate reporting that drives confident decision-making.
- **Financial Planning & Analysis:** Align strategy with execution through dynamic planning solutions that adapt in real-time.
- **Account Reconciliations:** Streamline reconciliations to reduce risk, ensure compliance, and free up teams for higher-value work.
- **Management Reporting:** Get clear, actionable insights that empower leaders with the right information at the right time.
- **Tax Provisioning:** Streamline tax provisioning for greater accuracy, transparency, and compliance across the enterprise.
- **Sales Performance Management:** Unify sales planning and manage compensation seamlessly.

Platform & System Integrations

At Ascend, we are proud to be the most trusted Diamond Partner with OneStream. This prestigious Ascend's integrations practice seamlessly connects financial and operational systems, enabling organizations to consolidate, harmonize, and leverage data for a unified, high-performing ecosystem. Backed by a skilled team of finance, data, and development experts, Ascend delivers optimized end-to-end integration services. Our solutions help connect your ERP platforms, cloud services, BI tools, custom applications, and data warehouses.

What is OneStream?

OneStream is the fastest-growing Enterprise Performance Management (EPM) and Corporate Performance Management (CPM) platform, transforming financial processes for over 1,200 customers around the world.

Recognized as a Top Quadrant leader by Gartner, OneStream empowers businesses across industries like mining, manufacturing, real estate, higher education, and retail.

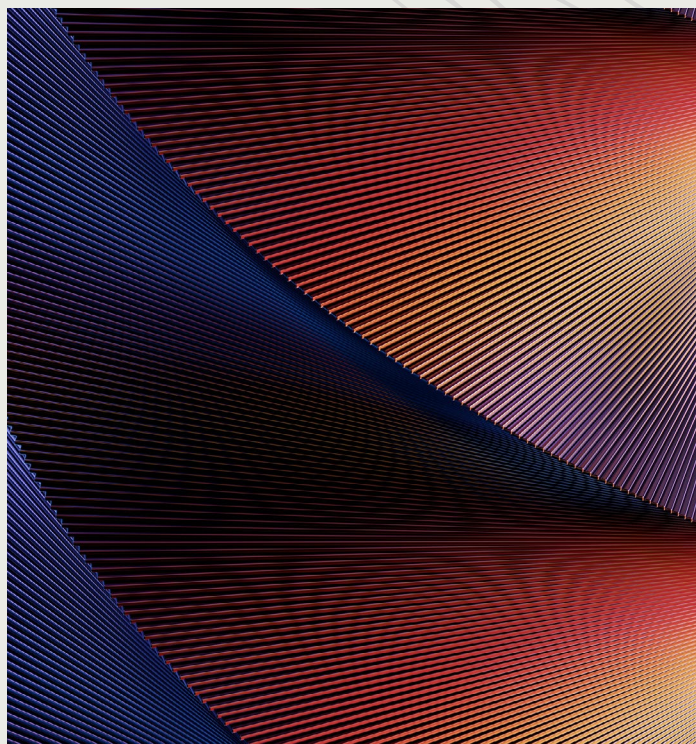

Managed Service Operations (MSO)

Ascend's Managed Service Operations offering is designed to help organizations unlock the full potential of their OneStream investment after go-live. With a dedicated team of finance and OneStream experts, Ascend delivers end-to-end care for your financial system—optimizing platforms, streamlining financial processes, and providing ongoing support.

Why Choose Our Data & AI Solutions?

We take the time to truly understand the challenges and opportunities facing our clients and how our services can elevate their business.

- ▶ **Scalable Platforms:** Utilize advanced platforms to deliver powerful, cloud-native data analytics and AI solutions.
- ▶ **Expert Delivery:** Our nearshore and onshore consultants bring deep expertise in analytics, data engineering, and AI.
- ▶ **End-to-End Innovation:** From data ingestion to advanced AI models, we provide comprehensive platforms tailored to your business needs.

Data & AI Consulting

Ascend empowers organizations to unlock the full potential of their data through intelligent, scalable solutions. As a proud partner of **Databricks**, we offer cutting-edge capabilities in Data Engineering, Lakehouse architecture, and AI innovation for our clients. Our team combines strategic insight with technical excellence to deliver AI-driven outcomes that accelerate strategic decision-making. Whether you're building a modern data foundation or deploying advanced analytics, Ascend brings the experience, technology, and innovation to make it happen.

We offer a comprehensive suite of services designed to transform data into business value:

- ▶ **Data Strategy & Architecture:** Design and implement secure, scalable data ecosystems.
- ▶ **AI-Driven Analytics:** Leverage machine learning to uncover trends, patterns, and predictive insights.
- ▶ **Bespoke AI Solutions:** Develop tailored models to solve complex business challenges.
- ▶ **Data Integration & Automation:** Connect and streamline data flows across platforms and teams.

Finance & Data Excellence –The Ascend Way

The Ascend Way is our signature approach to delivering business solutions that work.

We guide clients from discovery through deployment with clarity and confidence, built upon a core framework consisting of:

- **A culture deeply rooted in our core values:** We build trusted partnerships and drive success through trust, innovation & excellence, collaboration, and passion.
- **A proven delivery methodology:** Our structured yet flexible approach ensures projects are done right the first time—every time.
- **Tools, templates and accelerators to take you further, faster:** Pre-built tools and templates speed up delivery and maximize time-to-value.
- **Top-tier talent under one roof:** A multidisciplinary team of experts brings holistic solutions and unmatched innovation.
- **Comprehensive experience and expertise:** Decades of industry knowledge and best-in-class tech partnerships keep clients ahead of the curve.

Our focus on transparency, adaptability, and measurable outcomes ensures lasting value and impact.

At the core of this approach are principles that shape every engagement, building trust through integrity and accountability.

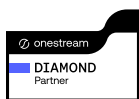

These principles also drive innovation with curiosity and excellence, and foster collaboration through a shared passion for growth and success.
