

Ascend Rapid Deploy—Account Reconciliations for Modern Finance

CPM Express for Account Reconciliations at Scale & Speed

Account reconciliation is often a tedious and time-consuming process, requiring teams to carefully match transactions while ensuring reporting remains accurate and up to date. That’s why Ascend Partners has created **Ascend Rapid Deploy** for **Account Reconciliations**. Built on the foundation of **OneStream CPM Express**, this proven, powerful solution delivers a structured, out-of-the-box approach to automating and standardizing reconciliations. It streamlines delivery, accelerates time to value, and establishes a controlled, auditable foundation in as little as **8 weeks**.

CPM Express—The Ascend Way

As a OneStream Diamond Partner with **more than 90+ successful go-lives**, Ascend has leveraged its deep implementation experience to create a best-in-class CPM Express offering through our Rapid Deploy methodology.

Rapid Deploy reflects the same delivery principles that have guided every successful OneStream engagement we have delivered. By combining proven frameworks, financial expertise, and a collaborative implementation model, Ascend enables organizations to deploy faster while building a scalable foundation for future growth.

Faster with Ascend Rapid Deploy

Reduce time investment risk and go live faster with Ascend Rapid Deploy. Accelerate the traditional OneStream implementation timeline without compromising on performance with Go-Live in as little as **8 weeks**.
