

CPM Express—Financial Transformation. Accelerated.

Finance That Fits Your Business

Modernizing finance shouldn't take months—or years. Mid-market and commercial companies need a faster, more focused path to transformation. As a long-standing OneStream Diamond Partner, Ascend Partners delivers exactly that through our specialized implementation of **OneStream's CPM Express**.

We combine OneStream's accelerated CPMx framework with our decade of implementation expertise to help growing organizations deploy enterprise-grade capabilities quickly, confidently, and without unnecessary complexity. The result is a unified, high-performance OneStream solution that empowers your finance team to move faster, streamline reporting, and unlock insights sooner.

CPM Express by OneStream

OneStream's CPMx approach allows leaner organizations to **go live faster**, eliminating manual processes, broken spreadsheets, prolonged close cycles, and delayed reporting. With CPM Express, your finance team gains a right-sized, scalable solution designed specifically for the mid-market.

You receive an enterprise-grade OneStream foundation—including consolidations, reconciliations, reporting, planning, forecasting, and governance—delivered through an **accelerated, purpose-built methodology** and **without unnecessary complexity**.

CPM Express— OneStream but Faster

With CPM Express, leaner finance teams can gain a unified, enterprise-grade platform designed for speed and simplicity. Unlock robust features that streamline every aspect of financial operations, such as:

- ▶ **Financial Consolidation:** Automate and accelerate close cycles with audit-ready accuracy
- ▶ **Account Reconciliation:** Eliminate error-prone spreadsheets using built-in workflows for transparency
- ▶ **Financial Planning & Analysis (FP&A):** Real-time planning, budgeting, and forecasting tools
- ▶ **Powerful Reporting:** Consolidated management and statutory reporting from one extensible platform
- ▶ **Robust ERP Integration:** Seamlessly transfer data, eliminate silos, and create a single source of truth
- ▶ **Unified Finance Platform:** Consolidations, reconciliations, reporting, planning, forecasting, and governance in one place
